president's report

Tim Kearney

What an honour it was to accept on behalf of the Bosco Bulldogs the 2017 Club of the Year trophy at the Cronulla Junior Rugby League Awards night held at Cronulla Sharks Leagues Club. This award is a reflection of the hard work that everyone puts in at our great club. From the Executive Committee, the General Committee, Coaches, Managers, Trainers, players, parents, sponsors and volunteers you have all played your part in the club winning this award. It's the 4th time Bosco has won this award since the awards inception in 1982. What a great reward for a club without a proper clubhouse or canteen. Congratulations to everyone - well done!!

In 2017 we fielded 12 Junior Bosco Bulldogs teams from U6 through to U12's which were played on Saturdays. Well done to all teams for playing the game in the right spirit at all times. Once again our registered number of players increased on the previous season which was great to see.

Congratulations to our two premiership winning sides, our U13 Gold and U15 Gold. Both teams won very tight Grand Finals, U13 beating Engadine Dragons 6 - 0 and U15 beating Aquinas 12 - 10. The U18's unfortunately lost their Grand Final in the Illawarra comp to Collegians 22 - 16.

I would like to thank the Committees of Yarrwarrah Tigers (U13 & U15) and Engadine Dragons (U15 & U18) for their support of our Senior merged sides.

This year we fielded 6 Girls Touch League teams which was up from only 1 team in 2016. It was great to see the Girls Touch league bring in so many new families to our Club and it was fantastic to see all of the girls out on the field on Sunday mornings proudly wearing the Blue and White of the Bosco Bulldogs. The girls touch league will only get bigger in years to come. Well done to everyone involved with the Girls Touch League. Congratulations to our U7 girls winning their Grand Final 30-12 over Como.

I'd like to congratulate our Junior Player of the year Justin Letton and Senior Player of the year Monty Raper. Two fine players who both had fantastic seasons - Well done Justin and Monty.

To our Executive Committee of Paul Gilbert, Dave Sheargold, Adam Wrightson and Mel Bryant - Thank you for the long hours and hard work you each put in for this club and also the support you have given me this year, I really appreciate it.

Thank you to everyone that holds a position on our General Committee, the club would not survive without your help. A few special mentions are deserved, Chris Bryant for setting up and marking the fields every Saturday morning and Simon Gilroy for organising the Bosco Jackets. Once again the canteen was a major source of revenue for the Club, thanks Toby Sammut for your efforts and everyone else who helped during the year. Once again thanks to Nicole Wrightson for putting this yearbook together.

Congratulations to Michelle Price for winning Club Person of the Year. Michelle took on the role of Registrar this season, she submitted our successful government application for our new trailer, was on our Social Committee and is Chairperson of the Clubhouse committee. Great work Michelle. Our winner of the Club Woman of the Year was Kylie Stewart for her outstanding work getting all of our Girls Touch League teams up and running. Well done Kylie.

Off the field 2017 was a very successful season. We held our 21st Annual Sportsman's Lunch at Club Heathcote with over 280 guests attending. Once again it was a huge success and a big thankyou to the Luncheon Committee of Brad Wardrobe, Grant Raper, Chris Bryant, Darren Price and Greg Edwards for all of their hard work making this day happen. Since the very first Sportsman Luncheon in 1997 this event has generated over \$470,000 of revenue to the club – truly amazing!

Our Social Committee as always were very busy organising a number of social events that are a lot of fun. This year we had the Meet and Greet, Encouragement Awards and Disco, Trivia and Band night, Ladies night out, Women in League Round, and flowers for each mum on Mother's Day. We also sold over 200 beanies which raised over \$4000 for the Mark Hughes Foundation. To our Social Committee of Kelly Sheargold, Natalie Sammut, Michelle Price and Mel Bryant thank you for all of your hard work this season. Also a special thanks to Kelly Sheargold and Jody Ryan for baking the lovely cupcakes for Women in League Round.

To our major sponsors Club Heathcote, Holden, Surelinc, Yellow Brick Road Sutherland, All About Meat, FBH Maintenance and all individual team sponsors – thank you, the players and Club appreciate your support.

I have held numerous roles on the Executive Committee including Secretary and President and it is now time for me to step aside and let someone else come in and run the Club. I have thoroughly enjoyed my time on the Executive Committee and I have met some truly great people and made some lifelong friends. Good luck to the mighty Bosco Bulldogs for 2018 and beyond.

secretary's report

Dave Sheargold

What a great year 2017 has been for the Bosco Bulldogs. Firstly I'd like to give a big thanks the executive and extended committee members; the time given up before, during and after the season helps the club run as smoothly as it does, and is greatly appreciated by everyone.

We had a top season on the field this year, with 3 of our Girls Touch league teams (under 7s, 9s and 11s) and 3 of our Rugby League teams (under 13s, 15s and 18s) making the final series .. with some lucky enough to taste Grand Final glory. We also hosted some great games this season and it's a pleasure to watch the kids enjoying their footy, win lose or draw there was always plenty of smiling faces after the games.

The club hosted some great events this year with one of the biggest mid-season encouragement awards nights ever (it was "organised chaos" all those kids in one room seemed like a good idea at the time), as well as our annual trivia night, ladies dinner and sports luncheon. Big thanks to our social committee, Nat, Michelle, Mel and the Kel's and the sportsman luncheon team Brad, Greg, Daz and Grant as well all the other helpers who make these events a success every year.

Kylie Stewart was our "Woman in League" this year as her passion for the Girls Touch league was second to none, helping Bosco to field teams in almost every age group. Kylie was instrumental in making the comp such a success this year and I'm sure this will continue into the future as numbers grow.

We also had plenty of new things on this season, many driven by our Club Person of the year Michelle Price who came up with some of great ideas from our Mother's Day flower campaign to fund raising on the Women In League round just to name a few. Michelle has also been instrumental in helping to secure grants for some exciting projects for next season.

It was a fantastic year for sponsorship, with continuing support from our major sponsors Club Heathcote, Holden and a new Girls sponsor FBH Maintenance, as well as our sponsorship committee securing individual team sponsors from our other supporters, with every child coach trainer and manager receiving club jackets. Another great effort by Gav, Simon and Adam.

We finished the season on a high this year taking out the CSJRL Club of the Year, and this is a testament to everyone involved with the club from the committee and volunteers to the parents and players, who if we didn't enjoy what we all do the club wouldn't have had the success we've had this season.

Lastly, a few final thanks for a few of the behind the scenes people that do a lot that often goes unnoticed; Chris Bryant for being up at Bosco oval marking the fields every week in the freezing cold sometimes even in the dark. Simon Gilroy, who spent time running games and giving a lot of weekends to keep things running smoothly for us. Nicole Wrightson and Adam Brien looking after playing gear, it is a big job and quite often gets overlooked as something that just happens.

Kel Kearney, keeping on top of our social media sometimes feels like a full time job but everyone has loved the photos and stories popping up each week. Toby Sammut for all the work you do each week sorting and preparing the canteen.

Big thanks to my wife Kelly, for putting up with me spending so much time at my second home Boystown oval looking after my other family the Bulldogs... And a huge thanks to everyone else who helped through out the year. TK, Bluey, Adam and Mel it's been a pleasure working with you all this season the club wouldn't be where it is today if it wasn't for your passion, thanks for letting me be part of it all.

Bring on 2018.

Dave

Award winners

Best & Fairest: Travis Holborow

Coaches Award: Riley MacKenzie

Most Improved: Lachlan Doherty

The change in these young boys has been amazing. This was the first time most of these boys had played football and the skills learned over the course of the year have been inspiring to watch. From the first game where they were not sure where to stand, to now where they are playing as a team, passing and scoring tries! We started with 8 highly enthusiastic boys and have ended with 8 football stars.

Coach Todd and Manager Simon have also enjoyed the learning curve. From the first training sessions wondering if we would ever know what we were doing to now a well-run team. With the help and support of each of the parents this team has been a pleasure to be part of.

Coach Todd has shown great passion and patience, understanding and commitment to teaching the players all the little steps involved in developing themselves as football players and he has done this in such a way to make every training session and game day a fun and memorable event (kids enjoying a special treat for their great efforts after each match).

ASHTON HAYES-CONWAY

Mr Consistent, a polished all-rounder with a natural ability for the game, making tackles and scoring tries.

COOPER MARTIN

Mr Cool, he shows calmness under pressure and his fast running and assistance with tackling makes him an integral part of the team.

JAKE BECKET

Mr Fearless, he is brave in attack and defence and his ability to carry the ball with 2 hands is a skill that some adults find hard to master.

KADE VICKERY

Mr Strong, he shows complete intensity each week at training, which then assists him as he runs hard and fast through the opposition and keeps the defence at bay.

LACHLAN DOHERTY

Mr Powerful, although he took a few weeks to gain his confidence, once he did he showed great skills in both attack and defence with his key strength being the ability to make ground while carrying defenders.

RILEY MACKENZIE

Mr Flash, he shows amazing balance and poise when carrying the ball and weaving through the opposition defence and is determined to get across the try line with every run.

TALAN KIELLOR

Mr Happy, his temperament and easy-going nature make him a great team player, he is always providing encouragement and support to his team.

TRAVIS HOLBOROW

Mr Tough, his tackling technique allows him to bring down much larger players and his ability to read the game in attack and defence will see him go far in rugby league.

Without doubt the cutest and toughest side in the Shire. What an amazing year with the mighty U/6's. With six 4 year olds this could've been a tough year, however, our boys decided otherwise and this was lead by 3 older boys. Our boys thrived and just got better with every game notching up 6 wins, a draw to much older and bigger opposition.

The boys are very well behaved, listened and learned. By the end of the season all of them were contributing with great defence and all were making great runs with every player scoring a try on their own.

Thanks so much to the boys and the parents of this team. It's not only been an enjoyable year for the boys but for the parents as well. Special mention to Clair, Adam, Corey and Matt for helping throughout the year. We couldn't do it without them.

JOEL KEARNEY

One of our team leaders, Joel always lead from the front and was a pleasure to coach. He always listened and did everything that was asked of him. With some great defence and weaving runs leading to 31 tries. Joel had a fantastic season and next year I can only see him getting better.

COREY DUGGAN

This boy is one to watch. Our other leader Corey gave all our young footballers confidence to compete. Corey is a natural footballer and plays beyond his age. Corey dominated every side he played against leading to 68 tries from 14 games. Running with speed and strength and possessing a great fend. He was amazing to watch. Defensively, Corey locked up one side of the field and then he would chase and cover the other side of the field. Good luck in the future our little champion.

NASH WHITE

I believe Nash will be our Corey next year - Big and fast. It's hard to believe he played the whole year as a 4-year-old scoring 14 tries along the way. He possesses speed to burn and Nash was able to outspurt boys 2 years older than him. Nash was also able to hold his own in defence. A great start to your football career Nash.

CONNOR GAVIN

Sometimes courage isn't measured on tries and tackles but also about showing up and having a go against some pretty impressive opposition. In each game, Connor gave everything he had. His attitude towards football and never giving up lead the way for Connor scoring his first try. Well done a great season Connor.

HENDRIX JACQUES

A big and strong 4-year-old Hendrix had a quiet start to the year but as his confidence grew he realised that his size could be to his advantage. He started to make some great long runs as the opposition thought twice about tackling him. His defence picked up as well. Hendrix made some great tackles. Well done Hendrix. Next year is going to be a good one for you.

HARRY FOGARTY

One of our fearless 4 year olds who made his coach very proud. Turning into a mid-season tackling machine and scoring 5 tries with his step. Harry had a great season and next year with his love for the game will be bigger and better.

JACKSON WISHART

Is our real surprise package with a great step and vision for a whole in defence. He found his way to the line 6 times. In defence, he showed no fear bringing down bigger boys and was our first 4 year old to score. Showing our boys age wasn't going to be a problem. Great start Jackson.

TAJ HELMRICH

Taj is always eager to get involved. He had no fear in defence and he just kept getting better and better. He made some great one on one tackles including some great cover tackles later in the season. In attack, he grew. Taj made some great runs and scored 3 tries. He didn't mind a bit of niggly. Next year will be a great one for you Taj.

HENRY HOY

Henry is a born entertainer who loves to run with the ball. He is a big strong boy whose improving with each game. Henry scored 3 great tries by the end of the year. He was chipping in with some very good one on one tackles and strong runs with the ball. Can't wait to see Henry next year even bigger and stronger.

Aaron Nunn**

Assistant Coach: Brett McDonald
Manager: Liz McDonald

Award winners

Best & Fairest: William McDonald

Coaches Award: Jye Henry

Most Improved: William Janssen

What a good season of football to watch. These boys kept getting better as the season wore on after what was a pretty demoralising first round shellacking, the boys pulled it together and took in what they were being taught at training which resulted in an undefeated run of 8 games from round 4.

A few closer losses at the end of the season but all in all a very talented and skilful team this was to coach. I expect big things by all these boys in the future.

I look forward to hopefully coaching these boys again next season

Back Row L-R: Brett McDonald (Assist. Coach), Dash Ferguson, Cooper Nunn, Billy McDonald, Aaron Nunn (Coach)
Front Row: Dylan Sammut, Will Janssen, Jye Henry, Will Gilroy
Absent: Liz McDonald (Manager)

DASH FERGUSON

Started the season showing excellent pace to run around teams to score tries at will. Worked tirelessly on his defence throughout the season which resulted in some crucial tackles in the later games.

WILLIAM GILROY

"Gilroy", "Flash" or "Whippet" as he became affectionately known started the season rather slow but learnt to inject himself in to games at the right times. For a little bloke he has a big heart and never took a backwards step in defence.

JYE HENRY

A hard kid to tackle showed a great will to continue to learn and showed each week why he was a hard kid to tackle. Always ran hard and made countless line breaks through sheer determination and an aggressive will to win. He will be sorely missed by the team next season.

WILLAIM JANSSEN

"Big Will" was our strength through the middle. When he ran straight and hard he was hard to stop. Got better each week and worked hard at training to improve his whole game.

WILLIAM MCDONALD

"Billy" was everywhere on the field. He would wait for the opposition to make a line break and try to make the covering tackle and was probably 90% effective in saving the try. Was a constant threat with ball in hand as well and was always willing to put his hand up to take a hit up.

COOPER NUNN

Started the season a bit shaky as it was his first season but once he got his confidence up made some strong runs. Wash always hard to tackle and hardly ever ended up on the ground which lead to quick play the balls. Start to really find his feet in defence as the season wore on.

DYLAN SAMMUT

Was one of our best in all aspects of the game. Was involved in some quality football combinations with the other boys and will develop in to a strong leader on the field. Always gave 110% in every game.

under 7 bronze / green

**Coach
Heath Bowling**

Trainer: Ron Stanmore
Manager: Belinda Stanmore

Award winners

Best & Fairest: Mitch Bowling

Coaches Award: Jaxson West

Most Improved: Zeplin Sauvan

Our under 7's team this year provided a number of highlights, beautiful front on tackles, classic "Jonny Raper" cover tackles, length of the field tries and great team work on the playing field as well as the training field.

However, as a coach the improvement we all showed each week right through to the end was very pleasing. This year saw the boys on the field without the coach for the 1st time and the organising was left up to them. It took a little while, but once they got a hold on it and started listening to the referee, they really looked like a little rugby league team out there.

The season started off with a lot of tough games against boys who were much bigger than us, but that didn't worry us. We all just pulled on the Bulldogs jersey, went out there did our best and most of all had fun each week.

The results never mattered, however we all knew when we got that victory. Although at times it seemed the boys had more fun eating oranges and lollies at half time, then playing footy. But that's all part of playing footy at 7 years of age.

JACK FOGARTY

He never missed a training session and never missed a game. Jack continued to improve on his rugby league ability this year each week. Jack was always ready to take a run, he was in at dummy half directing the play or was there to help out in defense. It was a pleasure having Jack in our team again this year. Congratulations on a good season.

ZEPLIN SAUVAN

A big improver this year. Zeplin used his size and strength to his advantage. Crunching tackles, and huge runs. There wasn't a game this year that Zeplin didn't score a try in and it wasn't uncommon for him to get 3 or 4 try's a game. Well done on a great season Zep, keep up the good work.

BAILEY STANMORE

110% effort from Bailey this year. And his football ability grew every week. Once Bailey realised the other teams found it hard to tackle him, he was unstoppable. Big runs in every set. I enjoyed seeing Bailey grow each week into a more confident player. Well done on a well played season.

ZANE CLAPP

Zane was one of those boys that listened to his coach. If I told him to run straight and hard he did. Zane was also strong in defence. It was nice to see Zane's confidence grow throughout the season both on the field and at training. Congratulations on a well-played season Zane.

MAX PRETTY

Forget the bruise brothers, it was a case of the bruise cousins in our team. Max (part 1) of the bruise cousin band, he was many times throughout the season the "go-to" man when we needed a big play. Max grew into a real rugby league player this year. Strong all over the field. When Max had his mind on the job, he was unstoppable. Great season Max.

MITCH BOWLING

The other member of the "bruise cousin" band. Mitch week after week surprised his coach and the supporters on the sideline. Strong runs, strong tackles all done without fear. Mitch also took on a more organizing role this year with the coach not being on the field, which was nice to see. A great season from a little boy who is turning into a real rugby league player.

JAXSON WEST

Big runs, Big tackles, & big smiles. Jaxson really enjoyed the tough stuff this year. For one of the smallest on the field Jaxon never took a backwards step, a little blood from his month wasn't going to stop Jaxson, at times he was feared by the opposition with his front on tackles. Well done on a great season.

Ron, Belinda and I would like to thank all the mums, dads, big sisters and little brothers for their help each week, you all made the year so enjoyable. I would like to especially thank Belinda and Ron, without you guys I don't know what I would've done.

Thank you all for a great fun filled 2017 footy season & I look forward to seeing you all next year.

Mason De Luca**

Best & Fairest: Will Lambert

Coaches Award: Nathan Coburn

Most Improved: Jordan Perry

What a great year we had boys. The coaching staff are very proud of all of you. It started off a little slow but as the year went on we showed the other teams what we we're capable of. The boys gave there all week in and week out no matter what the result.

Big thanks to Pat, Andrew and Jason for all their time and effort throughout the season. Also to the parents who came to the games every week and supported the boys not only in person but supplied the boys with fruit for there quarter breaks which they looked forward to and ate every bit.

Look forward to seeing you all next season.

NATHAN COBURN

It was Nathan's first year of football and WOW didn't he excel through the year. Starting off a little nervous with attack, but as the season went on he learnt his speed and foot work would lead to tries. GREAT WORK NATHAN. Cannot wait to see what you can do next season.

JASPER DARLOW

Keen to get the ball and have a run each game. As the season went on he showed more enthusiasm and made us all cheer when he scored a hat trick! He ended the year strong. GREAT WORK.

MASON DE LUCA

Well what can we say about Mason. He is Mr Consistence. Does 100 tackles a game and 50 hit up's a game as well as scoring several tries. Mason was our go to man, when we needed a big play or to lift the rest of the team. THANKS FOR AN OUTSTANDING YEAR.

WILL LAMBERT

For someone's first year at football it looked like Will had been playing for years. Will is a natural football player he reads the game well and knows where he has to be. Will ran the ball hard and tackled hard all year, as well as scoring a lot of tries. GREAT WORK WILL.

JORDAN PERRY

Jordan (MR PALM) he might not be the quickest player in the team but WOW he got through the defence line with his big runs and palms. Jordan was solid all year, whether he was hitting the ball up or tackling, you could always count on him to get the job done. GREAT YEAR considering Jordan is playing up a year.

CALLUM POGSON

A first time footballer that came ready to play every week. Cal was always in there looking for the ball. He played fearlessly and showed a lot of determination. GREAT EFFORT Callum, you are a valuable team member.

Trainer / Manager: Mark Bergin

Award winners

**"Ryan Hartley" Perpetual
Dax Helmrich**

Best & Fairest: Fletcher Brown

Coaches Award: Will Bergin

Most Improved: James Gapps

We started out as the U8's Blue. After 5 rounds, we only dropped 1 game, the boys were flying along, playing as a team together with some individual brilliance. Having played well, we were regraded to U8's Silver. Although we ran in to touch a few times, lucky the other teams did also.

The boys had some tight games and a few solid wins. It wouldn't be a close competition without a few losses along the way. We adjusted well to the better competition in the Silver Comp and everyone improved as a footballer. We scored heaps of tries and all the boys had many shots a goal, which is a highlight for them.

The boys picked up a few little injuries along the way but showed how brave they were by returning to the field and playing on. We played all the boys in all positions in order to give equal playing time.

Back Row L-R: Scott Brown (Coach), Will Bergin, Fletcher Brown, Seth Holborow, Callum Moar, Connor Gleeson, Mark Bergin (Manager)
Front Row: Ritchie Lawler, Blake Hill, Samuel Dunne, Edward Meagher, James Gapps, Dax Helmrich, Blake Moffitt

WILL BERGIN

After a bit of a slow start to the year, Will turned things around after we were regraded to Silver. Will lead the way in Defence, played with energy and didn't miss a goal all year.

FLETCHER BROWN

In his third season at Bosco, Fletch dominated the competition again. He missed a few games due to an overseas trip but returned where he left off, scoring tries, saving tries and also playing a second game with the U9's.

SAM DUNNE

Another player to have a great overseas trip at the start of the season, Sam returned full of energy, got stuck in to the games and proved to be a handy dummy half organising the boys in attack.

JAMES GAPPS

James continues to improve year by year. Playing with lots of energy and intent to put in some great games. James' running and tackling continue to improve each week and he also trains hard which shows on game day.

CONNOR GLEESON

Connor came up with some great try saving tackles this year and tackled hard. Battling some bouts of asthma in some games, Connor showed how brave he was by playing on in those games. Another good year from Connor.

BLAKE HILL

In his first year in rugby league, Blake showed some great skills, like he'd been playing for years. Blake was keen for training and game day and it shows how much he loves the game. Blake handled all positions we gave him and will only get better next year.

DAX HELMRICH

In his third year at Bosco, Dax displayed high level skills again. Dax is hungry for the ball, scores heaps of tries, reads the game well and makes plenty of try saving tackles. Dax also played heaps of games with the U9's.

SETH HOLBOROW

In his first year, Seth started out a bit cautious. When his fitness improved, he streamlined the competition and showed plenty of ball skills. His defence was solid and showed he had some good offloads in his game. Great first year.

RITCHIE LAWLER

Ritchie had another good year. He has all the skills for the game and when he turns up ready, he plays very well. Ritchie also organised the team at times and scored some good tries.

EDWARD MEAGHER

In his first year in rugby league, Edward ran the ball very hard with energy. He learnt and trained well at training and that showed on the field. His defence improved as the season went on, great first year.

CALLUM MOAR

Also in his first year, Callum started really well. Learning from scratch, he proved the effort is there and also stayed back at training to practise his goal kicking. Callum improved as the season went on and I expect that will continue again next year.

BLAKE MOFFITT

Although Blake is the smallest in the team, he has speed to burn. He scored some great long range tries and played with lots of energy. Blake gets injured a bit but shows bravery and returns to the field.

Harley Brown

Best & Fairest: Kaylem Burge

Coaches Award: Chase Edwards

Most Improved: Cooper Wilbers

It was a big step up this year for the boys changing from mini to mod league rules and playing on the bigger field. They were also playing in a graded comp for the first time and they soon realised how tough A grade can be.

Although we lost more than we won the margins were always tight and we were only a whisker away from the top sides. I have coached most of these boys for a few years now and it is very pleasing to see the development in their football.

Well done boys and I'm sure you will continue to improve and the semi finals are a real possibility next year.

Thanks to all the parents from our side, we are never short for assistance in relation to home game duties and helping out at training.

Special thanks to Troy and Brad for assisting me all year and to Jody for managing the side.

Back Row L-R: Jody Ryan (Manager), Archie Donnelly, Lucas Lenarduzzi, Kaylem Burge, Liam Henry, Cooper Wilbers, Anthony Ryan (Coach), Brad Edwards (Trainer)
Front Row: Harley Brown, Tom Fogarty, Chase Edwards, Lachlan Psaila, Harlee Hamilton, Nate Ryan, Zac Dixon

ARCHIE DONNELLY

This kid is as tough as nails. Didn't matter how hard he got hit or how many were tackling him he would always get straight back up without blinking an eye. Always puts his hand up for a hit up and gets himself involved in defence. In only his second year of footy Archie continues to improve and gives his best every week. Well done Arch.

CHASE EDWARDS

Chase is a natural sportsman who has all the skills. He played a lot of first receiver and fullback for us this year and was often our safety net at the back making try saving tackles and handling some difficult kicks. Chase loves a good post try celebration.

COOPER WILBERS

Our big man in the middle. Cooper was our best middle defender all year not letting anyone get past him. He also runs the ball strongly and is very difficult to stop. He is a natural footballer who has the talent to be a very good player in the future.

HARLEE HAMILTON

Harlee is a great kid to coach as he always listens to you and tries his best to do what is asked of him. Was thrown into the dummy half role in a game late in the season and handled it really well with some good runs and strong defence. Harlee will continue to develop into a very good footy player.

HARLEY BROWN

Harley was our standout player this year. Only small in stature, but one of our best defenders showing everyone else how to tackle. He was also our top try-scorer using his blistering pace and evasive running style to burn defences. Never had a bad game. Great season Harley.

KAYLEM BURGE

Kaylem is a very talented player. He has the size and skills to worry the opposition. Due to this he is very closely watched and defended by opposition teams. Kaylem struggled with this extra attention on him earlier in the season, however found his form mid season and carried it through to the end of the year with some great games. Well done Kaylem.

LACHLAN PSAILA

Lachy is blessed with a great combination of speed and strength and can rip defences apart. He is like a mini Jason Taumalolo. Saved his best for the last game where he absolutely terrorised the opposition with his hard hitting in defence and hard running.

We are a big chance of winning any game when Lachy is playing well. I look forward to seeing you play next year Lachy.

LIAM HENRY

Fast, agile and a good defender make Liam a very handy player. Played a bit of dummy half through the year and was really strong in that role picking up plenty of metres from dummy half. Unfortunately we have lost Liam in the player market to the Milton-Ulladulla Bulldogs for next year. It's a shame to see you go Liam, you will be missed by all the boys and the coaching staff. All the best in your new kennel.

LUCAS LENARDUZZI

Also known as 'SOS' (son of Steve). Lucas is one of our fastest players and always led our kick chase down field. He just needs to use his speed more when he has the football in hand. Lucas played a few games at first receiver through the year and always did a good job in organising the side. Well done Lucas.

NATE RYAN

Nate played a lot of first receiver and fullback. A good organiser who is elusive in attack and a strong defender. Nate's relationship with the coach can at times be volatile, a lot like Jarryd Haynes relationship with Neil Henry.

TOM FOGARTY

Fittest player in our side who can run all day. You may see him in the Olympics one day representing Australia in the 5000m. His quiet nature and small stature belies his aggressive attitude in defence. Always keen to cart the football up and do his share of defence. Had a couple of games at dummy half and did an excellent job. Great year Tommy.

ZAC DIXON

One of the characters of our side. When Zac concentrates and has his mind on the game he is a very handy player. He is a good defender with a good tackling technique. In attack his pace makes him a dangerous ball runner. Good season Zac.

Kelly Kearney

Award winners

Best & Fairest: Jett Frost

Coaches Award: Axel Portlock

Most Improved: James Devaney

Firstly I'd like to say how proud I am to be the coach of these boys. We began the season with 11 players (no reserves) and lost Byron very early in the season so that left us with only 10 players, so we were short every week. We had a few big losses early on, but the boys didn't give up and we started to train better, did plenty of work on defence and started to show signs of improvement each week. By the end of the season we were competitive against all of the top sides including the undefeated Yarra/St Pats team. A few highlights of the season included our huge comeback win against Como. We only had 7 players when the game kicked off and were down 22 -6 at half time. We got 3 more players at haltime and managed to pull off a last second 34 - 32 victory.

Another highlight was our game against 2nd placed Cronulla Caringbah in the second last round. We played them early in the season and lost 42-4, so you could say we were huge underdogs when we played them again. The boys played their hearts out and came away with a 30 all draw.

OLLIE BERGIN

After having a year off it was good to see Ollie back playing footy again. Ollie was one of our First Receivers and did a good job organising the team. He has a great kicking game which got us out of trouble in a few games and lead to some great team tries. Next year Ollie back yourself more and take a few more runs, down at Como you absolutely blitzed them when you ran straight and hard. Well done mate on a great season.

THOMAS CARROLL

Tommy got better as the season went on, improving every week and was unlucky not to win the Most Improved award. When he puts his mind to it he's a real handful for the opposition to bring down. He pulled off some good tackles during the season. Congratulations Tom on a good season of footy and hope to see you back next year. Well done Tommy.

JAMES DEVANEY

Jimmy had his first season of footy and didn't he love it. Coming from soccer it took him a few weeks to learn positional play but once it clicked there was no stopping him. One of the better defenders in the team, Jimmy showed no fear when tackling some big boys from the other teams. Jimmy is a great competitor, a hard runner of the ball and a great guy to have in your team. Good stuff buddy.

JETT FROST

A very deserving winner of the Best & Fairest Award. In attack he could pretty much score from anywhere on the field, he's got speed to burn and scored some fantastic long range tries. If he's not scoring tries at one end then he's stopping them at the other end. Often the other team would make a break and Jett would make a great cover tackle. Congratulations on a huge season Jett, well played mate.

COOPER HAYES-CONWAY

Coops is the everywhere man, whether it be marker, first receiver, dummy half or taking drop outs or taps, Coops is first there. I love his passion for the game. Coops had a good year, he made some strong runs and pulled off some great one on one tackles when we needed him to. He scored a good try when he chased hard on a kick and got the ball down. Good on you Coops, you had a great season mate.

BRODY KEARNEY

Brodes had his best season this year, getting more involved and doing some good tackles during the season. Brodes found his spot at Dummy Half and did a great job knowing when to run and when to pass. He scored 6 tries out of dummy half (I know this because he counted them), including his memorable try right in front of the canteen at Boystown. Good stuff Brodes.

BILLY LAWS

Another boy who improved out of sight this year. Billy would have been our straightest runner all season, he tucks that ball under his arm and made good metres each time he ran the ball. His ball security was great and rarely lost the ball all season. Billy pulled off some good tackles during the year. Billy tries his hardest each week and that's all a coach can ask for. Well done Billy Boy.

LIAM OGLE

Liam is a strong boy and is a real handful for the opposition to pull down especially when he's running at full pace. He possesses probably the best palm off in the competition. I just don't think Liam knows how good he could be and how strong he is. He made some big runs and it often took 3 or 4 defenders to bring him down. This is the best season I've seen Liam have and he will only go even better again next year. Well done buddy.

REECE POOL

Reece had his first year of Rugby League and went really well. He's a pleasure to coach and was a deserving winner of the mid-season Encouragement Award. Reece made some great runs up the middle which helped the team go forward. His tackling got better as the season went on and was making some good one on one tackles towards the end of the season. Top first season of Rugby League Reece, well played mate.

AXEL PORTLOCK

Axe had his first year of Rugby League and what a year it was. With speed to burn Axe would ping the ears back and score from anywhere on the field. He got us out of trouble numerous times by scoring tries when we needed them. Axe is as tough as they come, he's a great defender never scared to tackle the big boys in the competition. Well done Axel on a fantastic first season of footy. Good stuff mate.

At the end of the season we ended up equal 5th on the ladder so I think the boys should look back on very good season. Well played boys!!

A big thankyou goes out to a few boys from other teams in the club that helped us out due to us only having 10 players. Firstly thanks to Harlee Hamilton the tackling machine who helped us out numerous times, thanks Harlee. Our under 8's supported us through the whole season and showed us what the Bosco club spirit is all about. Dax Helmrich and Fletcher Brown stepped up when asked and led the way, these two boys are fine footballers and will excel even more next year when they go into the U9's on the bigger field. Thanks Dax and Fletch. Other boys who also helped are Archie Donnelly, Will Bergin, Blake Hill and Seth Holborow - thanks boys!

A big thankyou to Frosty for being the team Trainer - cheers mate! Also thanks to Will Carroll and Kelly Kearney for helping me manage the team doing the scoring and game sheets.

Thanks to all the dads that helped out at training and all the parents who did canteen and BBQ duty.

I really enjoyed coaching this great group of boys and meeting some new families and I hope to see all the boys come back and play for the mighty Bulldogs again next year.

Best & Fairest: Beau Duggan

Coaches Award: Jake Monckton

Most Improved: Lachlan Harvey

2017 has been a successful year for the 10A's with all the boys showing improvement. They took on advice and direction from training sessions and focused on a game plan which ultimately lead them to gel as a team. With just the bare numbers it was great to see the boys get three wins and be competitive with narrow loses in 5-6 other games. Even when the boys did suffer a defeat they always encouraged each other and backed up week after week, a testament to their character. As the season evolved quite a few of the boys stepped up and became leaders within the team. A big thank you to the passionate and supportive parents of the mighty 10A's. Each week we had an overwhelming number of parents who were willing to do duties and help in any way they could.

Each family supported the coaching staff and made sure the boys were at training sessions and made sure the boys were ready for game day. Your support was much appreciated. A massive shout out to our awesome training team. It's a big commitment to put your hand up to volunteer for these jobs and we have three of the best.

LINCOLN COOPER

Lincoln had a good year. Linc's best games were when he got involved and backed himself. He made some darting runs with speed to burn throughout the season. Linc played centre and wing during the year with his cover defence being reliable. Linc is to be commended for his attitude and sportsmanship. Looking forward to another great season in 2018.

ISAAC DAWSON

A sensational year for Isaac this season. He developed his game each week. His improvement in defence allowed him to be a complete player. Isaac could read the play and his attack was second to none. He used his speed, strength and big fend to tear through the opposition each week. Isaac is a valuable and talented player and is to be congratulated for being top point scorer for the 10A's.

WILL DONNELLY

Big bad Will one of the forward leaders of the team. His strong barging runs gained many metres each week gaining good field position for the boys. During the year Will developed an effective offload which became a valuable weapon. When Will was in the zone he was unstoppable. Congratulations Will on a solid season - well done!

BEAU DUGGAN

What can you say about this complete player. Beau is an integral part of the team, his passion and determination each week inspired his team mates. His reading and knowledge of the game along with his crunching tackles makes him a tremendous asset to 10A's. Beau relished captaining the team and as a coach I enjoyed watching and listening to his leadership qualities. Congratulations on a standout year mate, a coach's dream.

SAMUEL GILROY

Each week Samuel's steely determination and will to win made him a valuable team member. He is a versatile player with solid skills that have allowed him to play well in different positions this year. As the season progressed Samuel played in the centres which suited his strong running, good side step and defence which allowed him to excel. Samuel's never die attitude must be commended. Well done Samuel.

LACHLAN HARVEY

What a season!!! Lachie was put in the fullback position and boy did he make the most of this opportunity. His lightning speed and cover defence put the team on the front foot each game. As the season evolve Lachie made this position his own. It was good to see Lachie grow as a player this season. He is to be congratulated for always playing above his weight.

FLYNN IMPEY

Another solid season for Flynn this year. One of our little guys but tough as they come. Flynn's tackling was one of his strong points and his positive attitude makes him a valuable member of the team. Flynn enjoyed being in the action and played consistently well in his positions at dummy half and on the wing. A boy who showed up each game ready to play. Congratulations Flynn.

LENY LEGROS

What an addition to our team this season! Leny's first ever go at footy was a standout year. Having received the Mid-Season Encouragement Award showed how well Leny picked up the game. He played an important role in the team with consistent games always being solid in defence and attack. I look forward to next year watching him continue to evolve as a rugby league player. Amazing season Leney.

JAKE MONCKTON

Jake the forward leader of the team. The 'metre eater' - Mr Go Forward each week. Jake strong runs and defence were inspiring. Jake's improvement and understanding of his position made him a pleasure to coach and an important team member. Jake is to be commended for his attitude towards his team mates. A sensational year Jake well done mate.

WILL PRICE

Congratulations on a successful first year in A grade mate. Will played in three different positions throughout the season. His game was best when he was close to the action. Each week Will showed a determination to improve his game and I look forward to a big season in 2018.

FYNN SAMMUT

Mr Reliable. Each week Fynn gave 100%. His gusty determination and ability to read the play makes him a respected member of the 10A's. Fynn played in three different positions this year and excelled. Towards the end of the season he played first receiver which allowed his attacking skills and accurate passing to be show cased. Well Done Fynn.

To our trainers Toby and Duggo, thanks for being so generous with your time each week and for being so supportive of the team. Loved how you could pump the boys up on game day. To our Super Coach Paul Dawson in his rookie year as coach - what a fantastic job you did.

A sincere thank you for your commitment, passion, knowledge and ability to encourage and direct each player to do their very best. We are so lucky to have an unbelievable manager in Nicole who was so organised keeping everyone informed. I couldn't have survived this season without her, she helped me tremendously - cheers to you.

The image is a team photo for the Bosco Bulldogs JRLFC 10A team in 2017. It features a group of 14 people: two trainers (Toby Sammut and Paul Dawson), a coach (Paul Dawson), and 11 players. The players are arranged in two rows, with seven sitting on a bench in the front and four standing behind them. They are wearing blue and white striped jerseys and shorts. The photo is set against a white background and is framed by a blue border. On the left side of the border, there is a logo for Bosco Bulldogs JRLFC celebrating 50 years, the year '2017' written vertically, and the text 'Proudly Sponsored by Engadine Electrical Service'. At the bottom of the border, the text '10A' is displayed. Below the photo, there is a caption listing the names and roles of the individuals in the back row, the names of the players in the front row, and the name of the absent manager. The RGP logo and website are also present at the bottom right of the border.

Manager: Andrew Martin

ward winners

Best & Fairest: Ashton Brown

Coaches Award: Danny Kearney

Most Improved: Henning O'Shea

Firstly thank you to all the parents of these boys and girl. This year again was a pleasure to coach and be part of. It was frustrating towards the end of the year when it didn't seem like we were progressing but every boy and girl was smiling, enjoying training and playing and personally I think that that means more than winning or progressing.

Each and every child that I coached this year gave me something, I learned from them so for that, I won. All of the players this year tried their best and went out there each week and gave it their all and I am extremely proud of them.

Thanks to Paul and Andrew again for helping and also Miss for standing in as manager and scorekeeper. Also Bluey, Steve and Dean for helping out at training this team is nothing without all of your support and help every week.

I will start by saying to each and every player it was a pleasure to coach you this year and I enjoyed every minute of it. Lastly thanks to TK and the Exec at Bosco for letting me coach again this year, you guys do a great job every week for us and it doesn't go un-noticed. All the best over the Summer and Christmas and see you all next year.

Judd, Andrew and Paul.

DOMINIC ELIAS

Big Dom played some of his best footy this year notably the game against De La where he dominated that game. Dom progressed by the years end with a bit of fitness backed by some self-confidence. Dom has the potential to be our best player. Good year mate well done.

SEAN TYNAN

Sean Tynan pretty much replicated last season, he starts out slow and gets better every game. By the end of the season he was one of our better runners. He just runs straight there is no messing about just straight. Another great season Sean well done.

TRAVIS PARKER

Travis is possibly our biggest player. He joined us late in the year from another club and boy was I glad he did, some of his runs were inspirational. He uses his size and weight well on the field. I hope you come back next year with your mate Owen buddy it was great having you in our team.

OWEN ANDERSON

Owen started with us this year, also from another team. At times I am not sure where Owen is here on planet Owen (mind you he has plenty of visitors) LOL. However I will make this early prediction, when Owen finally knuckles down, concentrates and plays Rugby League and not the air guitar he will be the player that plays for the Sharks mark my words. Don't grow Owen stay young forever mate great year well done.

TOBY HYLAND

Toby is another one of our big kids he returned to Bosco after a few years playing Rugby. He just gets the game he knows where to stand and when to move up, you can structure your team around kids like Toby, we really missed you when you went away for that month mate see you next year great season.

ALEX GILBERT

Alex came down to us from the A team this year. Alex is a natural born footballer comes from a footy family and when he switched on he was one of our best players. Alex played at 5/8 for us most of the season and throws a great ball, he organised kids all over the park and was one of the go to kids. Probably unlucky not to get one of the awards this year he had a great year.

SAM BRYANT

Sam is what Rugby League is, he eats drinks and sleeps the game second only to his brother Jack in knowledge of the game. Sam's enthusiasm is addictive and he is extremely competitive. He is his own harshest critic. We moved Sam to marker late in the season and that turned out to be a master stroke he was wasted at fullback. Sam ranked 3rd on the points this year he had a great year. As usual he was a pleasure to be around and to coach.

RODIE BARLOW-MILLEVOI

Thanks for coming this year mate. Brodie tried his hardest to make training and the games, this doesn't come as easy for him as it does the other boys and girls but to his credit he showed up and tried his best. Brodie you need to back yourself mate you can do it and you are as good as any of these kids you just need to believe in yourself buddy. Great year see you next year.

MIA FOGERTY

Mia was the first Lady I have ever coached I will never forget the first time the boys heard she was coming to play for us Danny fist pumped the air and said "yes we might win now" good times... I will be proud to say I coached this future Jillaroo one day, she was amazing every week. Her smile was the highlight of the games she would come of smiling from ear to ear and knowing she just belted about 5 boys all over the paddock.

COOPER MARTIN

Cooper Martin finished equal second in the points for Best and Fairest. He is such a quite kid you never hear a peep out of him but when he gets angry look out team he takes no prisoners. We switched him to fullback this year late in the season and he pulled off some of the best tackles of the season. I think he topped the try scoring for the season he is just such a good kid to coach. Cooper well deserved to keep the game day trophy for the second year running.

DANNY KEARNEY

Where do I start, this kid cracks me up every training session. He has the sharpest wit in the team so quick with comebacks and sledges. I have chosen Danny for the Coaches Award this year because he along with Henning were the most improved players from last year. Danny gave me the best moment in Junior Rugby League History when he emulated Forest Gump up at Bosco. You had to be there I can't do this story justice but needless to say he misjudged the try line and scored on Anzac Avenue! Absolute stand out for me it made my season. Great Year Danny well done.

HENNING O'SHEA

It's hard coaching your own son you tend to have higher expectations of them. We have a 3,2,1 each game and Henning and Cooper seem to get 1 maybe 2 consistently. Hendog plays DH and when he does the team just flows better he picks his runs well and throws a great ball. Great year Hendog. He reached equal second on the Best and Fairest points and may not have been the best player each week but he was the most consistent and by the years end the Most Improved. Well done mate keep it up. Oh Yeah, he scored more tries than Max boom take that older brother!!

ASHTON BROWN

Ashton from last year to this year was a different kid. Week in and week out he was our best player. He polled by far the most points and deserves the Best and Fairest award. Ashton was everywhere in defence and our best runner of the ball straight and hard with the traditional Maori side step. Great year Ashton you thoroughly deserve this award. We had to convince Paul each week to give him the points. As I said before it is hard coaching your son. Ashton what a great year mate I look forward to coaching you again next year but I fear we may lose you to the A team mate. Just don't play in the trials LOL.
