**Best & Fairest:** Sophie Roberts

**Coaches Award:** Ella France

**Most Improved:** Erin Harrison

We were the best team all year in the competition and it was really disappointing to lose the grand final. We only lost in the last 10 seconds. For all of your hard work you deserved better but it was not our day unfortunately.

I could see how disappointed you girls were at the grand final after the loss, with many tears and I really felt sorry for you girls. I know how hard you worked through the year and what a win in the grand final meant to all of you. I was really proud of everyone and you are a pleasure to coach. Every one of you contributed to our good year and the many wins we had through the year. We only narrowly lost 2 games the whole year which was exceptional.

Everyone one of you improved out of sight through the year and I got much enjoyment from coaching you girls as you are all really competitive, want to learn, all try really hard and are all beautiful young ladies. You are all a credit to your parents. I sincerely hope you all come back and play next year and try and stick together as you will all only get better. I don't think you girls realise just how good a team you could be!

Big thanks to Dave Sheargold for his help to through the year with all he has on his plate, Dave was a great help. Thanks to the parents who helped out with BBQ, setting up grounds, and working the canteen, really appreciate all your help. I hope to see you all back next year.

### **EVELYN DEVANEY**

Evelyn is another one of the team's speed machines. Glides when she runs the ball and changes direction at speed and looks like a real athlete when running. Scored a heap of tries for us and some length of the field. One of the team's best! Great year Evelyn, you will only get better.

### **CHARLOTTE EDWARDS**

Charlotte was always the smiley face in the team was a pleasure to have around and would always have a story for me about something I knew nothing about. Improved her running game through the year and really worked on her tagging. Made some important runs for us to get us out of trouble. Keep working hard Charlotte it is starting to pay off.

### **ELLA FRANCE**

Ella was the teams happy smiley face that cheered everyone up when things were not going our way and new every song out of the movie Grease. Made training into a musical and the girls had fun. Great runner of the ball and blessed with speed and great foot work. Ella would often run length of field tries and run circles around defending teams. Great kicker of the ball. I hope you are back next year and you are a star!

### **ERIN HARRISON**

Erin is the social butterfly of the team and seemed to always be at a party or social event on Saturday night before the game. Would walk over on Sunday before the game and tell me she was tired, sleepy, had a headache and could not play but managed to always get out there and play well. Had a lot of events planned for team but unfortunately they all needed a car. Very funny little girl who I had many laughs with. Great little player who is very elusive and nimble on her feet. Tries her heart out for us each week and improved out of site. Stick at it Erin next year and start organising those parties for all the girls now.

### **JORDYN HELM**

Jordyn was very elusive and would wind her way through defending teams scoring some terrific tries throughout the year. Great listener and tries to work on everything she is taught. Jordan had a very good year and will only be better next. Well done Jordyn, great effort.

## PAYTON KENCH

Payton was deceptively allusive and always made good ground for us every time she had the ball in her hands. Would wind her way through defending teams and score some quality tries. Great tagger also and saved a stack of tries for us through the year. Payton was consistent through the year and one of the better players in our team. Well done Payton, you had a really good year.

## SIENNA MOAR

Was very elusive with the ball in her hands and would often run through half of the other team to score some special tries for us. Great tagger also and saved a heap of tries for us throughout the year. We could have really used Sienna in the grand final. A really good year Sienna and hope to see you back bigger and better next year.

## CHARLI MOSES

Charli is fearless and would run through a brick wall if we told her too. Improved a lot throughout the year and started to make some good runs with the ball. Always enthusiastic and wanted to have a go at everything we did at training. Better things ahead for Charlie.

## SOPHIE ROBERTS

Had a great year and is easily the best player in the competition. Scored tries every game and has some much speed. Loves the game and is a natural at it. Sophie moves really well, is really quick and can step off both feet. Sophie listens to everything we are trying to teach the girls and tries to practice everything we teach. Big things ahead for Sophie if she sticks at playing the game.

## PAIGE SHEARGOLD

Paige secretly works for Cadbury's as a tester. Had some lollies that they had not released yet which she kept to herself. Paige had a good year and scored a couple of good tries for us. Always made plenty of metres for us with the ball and would beat the first few defenders always. Great work out of dummy half for us all year. Another good year Paige.

## RUBY STYLES-FLEMING

Ruby would run the ball every tackle if she was allowed. Loves her footy and wants the ball in her hands every tackle wants to be involved in everything. Great out of dummy half for us all year and scored some great sneaky tries for us. Well done Ruby on another good year.

## TIA SULLIVAN

Tia's tagging improved out of site and saved a heap of tries for us through the year. Ran strongly with the ball and scored some really good tries for us through the year. Always keen to learn and listen. Keep up the good work Tia and see you again next year.

Our little weapons had one hell of a year considering being a younger team in an older Gold competition. All things considered I could not be prouder of how they handled themselves on field in what was sure to be a tough competition for them.

While being knocked out in the finals, I could not be any prouder of these girls and I'm sure that the experience gained from this season will carry them even further into the competition next year. Well done on a great 2019 season.

### MOLLI BROWN

Molli came to us as a fresh face to the game. While a bit sheepish at the start of the season you could see there was something in her eye. Toward the end of the season Molli was unstoppable, the confidence she gained this season is nothing short of amazing. I have no doubt she will grow into even more of a competitor next year.

### ANNA CARROLL

Anna started this season where she left last. As she was part of an undefeated team last year the confidence was radiating off her. Fast off the mark and very evasive in open space it was amusing to see how she could contort her body to avoid being tagged. Later in the season she was tasked to be our 2nd half first receiver, where she worked her skills of reading the game and spreading the ball. Well done on a solid year

### KAYLEE FOWLER

Kaylee, like last year also found herself to be the youngest on field. If there's one thing I have learned about Kaylee is that if she wants something, she'll go and get it. What she lacks in size she makes up for in confidence and enthusiasm. Many times this year she fooled an unsuspecting marker from dummy half and found the try line. Well done on a great season Kaylee.

### LEAH FOWLER

Our returning rocket. Leah again was one of our standouts with blistering speed, tough defence and a very good cover player. When Leah was in marker it would be very rare that a team could make more than 15m. Solid all over the park it is a pleasure to watch her do her thing each game. She's going to cause some teams trouble next year.

### BEAU GREEN

Beau went from strength to strength this year. The confidence in her running and Tagging could be seen improving week after week. While she doesn't say much on field, you can see the determination in her eyes. This was even more evident after being the recipient of the encouragement award this year. Well done Beau on a stellar 2019, I couldn't be prouder of how far you've come.

## ELLIOT HELMRICH

The jokester of our little group. There was rarely a game this year that Elliot wasn't laughing and giggling before, but as soon as the whistle blew it was business. Elliot really improved her tagging this year being a solid mid park defender with her ability to be able to slide in defence starting to show through. In attack she would run hard, Elliot can run as hard as an A grade front rower which made our opponents think twice about getting in her way. Great season Elliot.

## RYLEE SMITH

A fresh face to the group, Riley seemed determined to stamp her mark in this team early in the season while she was still finding her head for the game. This had become more apparent in the later stages of the season where she would become a very solid edge defender as well as a very handy speedster on our flank. I'm sure next season she will be able to step it up a notch and become a very worrying player for our opponents to see on field. Fantastic job Rylee.

## SOPHIE TOGHER

Another new face to the team this year, Sophie demonstrated her confidence from the first time she stepped on field. Coming over from soccer I can imagine it would have been an adjustment but Soph took it on the chin and dug her heels in. Sophie would later become one of our most competent taggers of the season saving many tries from a line break. This combined with her fast feet and golden boot, she showed she has got what it takes to be in a gold competition on all aspects of the game. Great season Sophie.

## RUBY WALKER

Ruby like last year came out firing. While she may not have had as much success as last year with the ball playing against older girls, Ruby's strength was her defence this year. Constant marker pressure and darting runs were her forte. Not many people could get past her while she was in marker. Ruby is a pleasure to coach and always improving her game. She has a real footy head on her shoulders and it shows through the confidence of her playing attitude. Well done on a spectacular season Rubes.

## RONIA WARSZAWSKA

Ronia, like last year showed just how competitive she could be in this competition. Lightning fast feet and unbelievable focus made her a formidable foe to any opponent that stood in her way to the try line. I think she would hold the team record for dummy half runs, but it was refreshing to see that a majority of those were well timed with lazy markers and often lead to big meters or a try. Ronia was also a standout in defence where she would keep most opponents' superstars to a mere standstill.

If there is any consolation for only winning one game of footy in a season its participation in a team sport hopefully that's what the girls got out of this season anyway.

Every time we had training the girls were willing to learn the basics of football and try to learn ways to make their game a little better, but at the end of every session we always finished off with a game of kick tennis which I think that's all they wanted to do for the whole hour of training.

They showed up to each game and played each game to the best of their ability and never put their heads down even when the mercy rule came into play.

They all became great mates and that to me is all that matters hopefully some of those friendships formed will last a lifetime, all because they played tag league for the Bosco Bulldogs.

Big thanks to Kellie and Paul for their efforts this season and also to Paul and Jamie for being the trainers.

I enjoyed my time as coach and I thank you all for that.

### **MADISON BROWN**

Maddie's 2nd season for the bulldogs & all I can say is that in every game she got more confident & tried even harder as the season went on & she has definitely made some more friends, I hope to see her on a footy field next year.

### **PIPER BROWN**

Piper always tried her hardest to run down a tag or run for a try, she always loved her game of kick tennis at training it was great having you in the team Piper!

### **CATRIONA BURNS**

Always had a smile on her face & tried as hard as she could both on game day & at training definitely saw a great improvement in her game great season!

### **HOLLY FARRELL**

I think this was Holly's 3rd season as a Bulldog she is a great player that was always safe in defence & always had a crack in attack. Hope to see her on the field next year.

### **KEIRA FRANCE**

I hope Keira enjoyed her season of tag league she always tried her hardest & was willing to listen to what I had to say thank you Kiera.

### **MACKENZIE GLOVER**

Mackenzie had a great season always tried her hardest on the field & never gave up on chasing down a tag or having a red hot crack on scoring a try! I really enjoyed having her in the team thanks Kenz.

### **PHOENIX GREEN**

Every time she got the ball Phoenix was never far from scoring she always looked dangerous in attack & was always solid in defence sadly for us her season was cut short due to injury great season Phoenix.

### **MAIA HARMAN**

Maia was great this season she always was at training, she was great in attack & solid in defence all round a great season Maia. Congratulations on your Best & Fairest award you deserve it.

## LYLA HAWKSWORTH

Very handy player to have in the team every time Lyla got the ball she nearly or did score a try with her length of the field runs & easily ran down would be scorers pity she could not make every game due to prior commitments, was great having you in the team Speedy!

## RYLEE HELM

Rylee is a talented player that always tried her best in every game she played she was always fun at training & I look forward on seeing her on the footy field in the future.

## PIPER HENDERSON

Piper was always at training & she definitely made lots of new mates this season, Hopefully she grew her confidence from her goal kicking this year from saying that she couldn't to actually kicking a goal in a game great season Piper.

## TALIA KENCH

Great kid always listened to what I had to say & was always willing to try & better her skills with some one on one catching & passing definitely improved as the season went on.

## ELLA MONCKTON

Ella was another player who improved with each game she played I hope she had a fun season & I know the girls all enjoyed having her in the team.

## VERITY OGLE

Another girl that by the end of the season came out of her shell & improved with every game I hope she continues next season. I know she has definitely made some good friends.

The 2019 season saw us with 21 registered player's, new faces and a new game. But that didn't stop us doing what we did best, play hard and have fun at the same time.

The season saw us playing against older girls and much taller ones too. But we showed those girls that we could give them some good competition.

I was proud of the way the girls always played week in and week out, always playing as a team and never letting each other down. As I have always said to them there is no I in team. The season saw the 12 teams split in to 3 divisions, and we saw ourselves slotted into bronze.

Making the Grand Final for the 2nd time was a testament to the girls of how much they improved over the year. We'll be the older girls next year and I'm looking forward to coaching again.

Bring on 2020 – Thanks Girls, Mum's and Dad's it's been a pleasure.

**Most Improved:** Gracey Bridges

This season with the girls was so rewarding. It was great to watch them all grow not only as a team but individually. Although it started tough being in gold, the girls always kept their heads up and continued to do their best.

When they went into silver the girls continued to do their best and won many games based of their ability to play as a team.

Throughout the season the girls skills in passing, ball playing and reading the game improved dramatically. It was a pleasure to coach this lovely group of girls, I hope to see you all next year! Holly

### **INDIANA ALEXANDER**

Indiana playing her first season of Tag-league showed a huge perseverance and determination to wanting to learn and improve. Indiana being one of the fastest players on the field made many line breaks and awesome tag saves. She continued to improve as a player all season and only got better and better after each game and training session. We are so proud of you Indi, and you should be very proud of yourself. Thank you for a fun season.

### **GRACEY BRIDGES**

Gracey had a fantastic season, such a reliable and committed player. Always giving her 110% on and off the field. She excelled as a key player on the wing and was never afraid to give her best shot in the middle. Gracey's ball skills improved throughout the year and developed on and off the field. She made a huge contribution to the team's success. Thankyou for a great season Gracey you should be very proud of yourself.

### **CHELSEA CHATTERTON**

Chelsea is a very talented Tag-league player who has a great attitude towards learning new skills. Chelsea learns many set plays with ease due to her great attitude at training, these skills she was able to put into the games where she was able to score tries. Chelsea's skills made her a valued player who developed confidence in herself and her abilities. We are very proud of Chelsea. We hope to see you next year!

### **SUMMER DELAND**

Summer is a key player in the team. Her ability to think fast and make decisions through the middle of the field enabled the girls around her to excel. Summer had a fantastic kicking game this season, always having a precise aim and direction for the ball. Summers positive attitude enabled her to constantly improve and help others around her. Congratulations Summer, we are so proud of you and your achievements this season, we hope to see you next year.

## ZOE DONNAN

Zoe is a natural leader at heart, she is one of the most consistent players throughout the year and played every game with pure determination and drive. Zoe always ensured that everyone around her was motivated and she always lifted the team during difficult times during games. Zoe's ability to adapt to challenges in the game made her a fantastic player and her ball skills continued to improve throughout the season. We are proud of you Zoe.

## SHARA FLANAGAN

Shara is a versatile player who can confidently play any position on the field, she has the ability to out run many players on the field and understands the game very well. She is a talkative individual who is very popular within the team, getting along with all of her teammates. Shara's passing and kicking ability has improved dramatically throughout the season as well as many other aspects of her game. Great season Shara! Hope to see you next year.

## PHOEBE HALES

Phoebe has the ability to lift anyone's mood through her positive attitude. Throughout the season Phoebe's ball skills and ability to read the game improved out of sight. She is always keen to learn new things and has never give up attitude. Phoebe's attitude is contagious; she uplifts the team at training and during the games. Congratulations on a great season Phoebe we hope to see you next year!

## LINDSAY IRELAND

Lindsay being one of our most improved players showed us how hard work and dedication can improve skills on and off the field. She persisted and took upon any challenge we gave her on and off the field. Lindsay is a very versatile player who played any position we offered to her and excelled with consistency and positivity on the field. Congratulations Lindsay, thank you for a great season.

## HOLLY LANDERS

Holly is a dedicated player within the team. She has a natural ability at link who was able to hold wide in defence. Holly was never shy in asking questions when she was unsure what to do which helped her improve throughout the season. Holly has a lot of potential and is keen to improve her abilities. Congratulations on a great season Holly! Thank you for a fun season.

## MICHAELA NEILSON

Michaela is a bubbly member of the team who is popular amongst her teammates. She is quick, agile and has a lot of potential. Michaela has a great attitude towards others and is a very influential player on and off the field. Michaela was one of our versatile players who we could confidently put in any position on the field. We hope Michaela comes back next year. We are proud of the great season you had!

## CHALI PEAK

Chali is a great player who has an exceptional talent at reading the game. Although quiet, Chali still gets in the middle amongst the action and is a key player in the team. Chali's confidence and ball skills improved dramatically getting her across the try line many times throughout the season. Chali is capable of great things and we hope she continues to back herself. Well done on an amazing season Chali! We hope to see you next year!

## ANNA SCHNABEL

Anna is such a positive and personable young individual. Anna has very good listening skills which helped her learn and develop fantastic ball skills throughout the season. Anna always came to training and the game with a huge smile on her face, every game Anna gave 100% and always ensured she would improve her skills for the following game. Thank you so much for playing this year Anna, you really had a fantastic season.

## LYLA SMART

Lyla is a positive team member, although taken by injury for many games Lyla still showed up to help and encourage her team. Lyla's bravery was shown when she returned to playing and bounced straight back to herself getting involved in all the action and using her strengths of speed and agility to help the team get up the field, even though she said she was scared to tag before her games she managed to make many tags vital to the game. We are so proud of you Lyla, and hope to see you next year.

## ELLA STEVENS

Ella being one of the most consistent and positive players on the team had a great season on and off the field. Ella's eye for reading the play made a huge contribution to the team and her overall performance on the field . Ella's performance through the middle continued to improve each week and made a big contribution to the girl's season. Thank you for playing a great season Ella, Well done.

## MADDIE THOMAS

Maddie is a bundle of energy. Her positivity on and off the field was an inspiration to all the girls. Maddie's footwork and ball skills really made a contribution to each game and her vocal skills in directing the team during the game really stood out. Maddie as a natural leader had a fantastic season full of many positives which stood out amongst everyone . Congratulations Maddie, we will hopefully see you again next year.

## CASSIE WALKER

Cassie is a good listener who has the potential to play any position on the field. No matter where we put her Cassie was happy to play there. She is a real team player who took on board any advice given to her and used this to improve the way she played. Well done on a great season Cassie, we wish you all the best and hope to see you next year.
